Kaleidoscope Music Festival Internship Opportunity

Kaleidoscope Music Festival is looking for a Sustainability Intern to develop and implement sustainability infrastructure for all aspects of the festival. The position starts April 1st, 2014, and lasts through October 1st, 2014, offering up to a total of 8 credits per term. The position requires 5 hours minimum per week, total hours varying from week to week and increasing as the event dates near. This is an excellent opportunity for someone wanting to acquire skills relating to event planning and sustainability.

Sustainability Intern duties: Working under the Director of Staffing to develop and implement a sustainability plan for the festival, especially in regards to waste management, sustainability education and water conservation.

Including:

- Researching festival sustainability initiatives
- Developing a sustainability plan
- Supervision of Sustainability volunteers
- Obtaining proper infrastructure to fulfill the plan
- Implementing the festival sustainability plan

Qualifications: A successful candidate has the ability to work independently and with groups; is able to communicate clearly with staff, volunteers and festival-goers; is in good physical condition (able to operate maintenance vehicles and lift 50+ pounds); Must be able to work outdoors in all weather conditions.

Experience in the following areas is preferred:

- Knowledge of waste management and recycling
- Ability to correctly identify recyclable and compostable materials
- An understanding of the environmental issues surrounding large events
- Experience in environmental/sustainability education
- Supervision of volunteers
- Basic computer skills; Knowledge of Word, Excel, Google Drive and Dropbox.

Pay: $500 stipend, plus up to 16 credits

To apply, send a cover letter, resume, and three references to Mahala Ray, KMF Director of Staffing.
