

# Willamette Resources & Educational Network

## Engage, Educate, Empower!

## Environmental Education Internship

WREN is looking for a hard-working student to intern in our Environmental Education program. Excellent communication and inter-personal skills are a must. Experience working with youth is essential, preferably in an outdoor education context—must be generally comfortable working with K-12 students.

This position will work closely with WREN Program Coordinator and other WREN volunteers on both the development and presentation of wetland-focused education programs. Intern will gain understanding of non-profit operations, and will have the opportunity to interface with employees from the Bureau of Land Management, City of Eugene, Long Tom Watershed Council, and other WREN partners.

- April through mid-June (spring term) with option of continuing through summer
- Average of 10 hours/week
- Flexible schedule, will be determined with intern upon selection for position. General availability in mornings is desired.
- Intern must provide own transportation to worksite
- Must pass background check
